PAY FOR THE CHILD'S WORK.

TIIS is a real Mothers' Club, for the benefit of mothers everyw who are struggling with questions of discipline, training, educa-tion, clothing, for the children. Write to Aunt Chatty of problems are vexing you, and she will advise and help you to a solution of which are vexing you, and she will advise and help you to a solution of them. Write to her, too, of your own discoveries, of methods you have found successful in smoothing the rough paths of life for the tender, childish feet, that through the Mothers Club your experience may be of benefit to other mothers who are still tangled in the web of perplexity you have so happily unraveled.

Co-operation is the secret of success in any business; so why not in the business of motherhood, that highest and holiest calling which always has been and always will be woman's crown of glory, no matter what other avenues of usefulness may be opened to her?
